Notes: (1) The TOPS Award Payment for TOPS eligible students enrolled in a graduate/professional program shall not exceed the amounts determined by the administering agency to equal the tuition charged for the postgraduate study or for undergraduate full-time enrollment charged by the highest cost public college university in the state, whichever amount is less.

(2) Schools/Programs that are specifically designed to accommodate deaf and hard-of-hearing students. Includes both Academic and Technical Programs.

(3) The total annual award amount does not include payments for summer sessions for TOPS Tech awardees or for OPHE awardees who elect to have their award paid for qualified summer sessions. The award amount for summer will be a pro-rata amount based upon the number of hours enrolled, and it may not exceed the total tuition charged by the institution attended for the summer session. Payment of an OPHE award during the summer will reduce the student's remaining semesters/terms eligible for payment by one full semester/term.
