

LATE PAYMENT FEE POLICY

Students will not be dropped for non-payment; however, students with a balance after the fee payment deadlines will be charged a late payment fee. Students will be responsible for any tuition and fees for classes that remain on your schedule and/or room, meals, and any miscellaneous charges on their account after the fee payment deadline. Students who are recipients of scholarships, TOPS, National Guard, financial aid, waivers, or any special program, must have all required paperwork in advance of the deadline to avoid the late payment fees. Students are responsible for any balance that results from losing their financial aid, scholarships, waivers, etc., during the session or semester. All registered students are advised to check their fee bill on BANNER to verify their payments and/or credits (scholarships, financial aid, waivers, etc.) have been received and posted.

To avoid the late payment fee, students must:

- 1. Have a zero balance by the fee payment deadline as a result of payment(s)**
- 2. Have a zero balance by the fee payment deadline as a result of financial aid and/or scholarships and/or waivers**
- 3. Have signed up for the online payment plan by the fee payment deadline**
- 4. Have dropped your courses by the fee payment deadline**

It is the student's responsibility to drop their courses if they have decided for any reason not to attend ULM.
